ASH FINISH CHOICES

All BG Furniture stains are carefully applied by hand in multiple steps to enhance the natural beauty of solid maple. To preserve the beauty found in our solid wood furniture, we utilize the highest quality varnish to protect the furniture from UV rays and common household spills.

Finish colours of this sample is representative of colour only. Due to variations in the colour of natural wood and the finishing process of print and digital materials we cannot guarantee that our furniture finish will be the exact colour match. Wood finish samples are available from your retailer to help with your selection.
